SUPPORT OUR TROOPS GOLF DAY - Sept 28, 2009

SUPPORTERS OF OUR WOUNDED MILITARY:

The proud and brave wounded American Troops and their families continue to need assistance and support from patriotic Americans in continuing with their lives... during and after injuries from war.

As the wounded heroes return home they and their families endure countless financial and material obstacles unimaginable to most freedom-loving Americans. Family members leave their jobs and travel great distances to be at their loved-one's bedside for weeks and sometimes months. Houses need to be renovated to accommodate the various disabilities, vehicles need retrofitting, unexpected expenditures persist, and shattered lives need constant care. Their personal sacrifices preserve our freedoms here in the United States and throughout the world...fighting the war on terror subsequent to the tragic events of 9-11-01 on our homeland.

Through the ongoing efforts of both the **FAMILY & FRIENDS FOR FREEDOM FUND, Inc** (non-profit 501C-3) and the **FDNY-VFW POST 12033** (non-profit 501C-3), the financial & material burdens are lessened to the extent our supporters donate and participate in various fundraising opportunities. Please take this unique opportunity to show your support for our brave and courageous wounded military and their families by choosing a sponsorship package for the ***SUPPORT OUR TROOPS GOLF DAY AT WEST POINT*** offered in the enclosed brochure that best suits your company or personal means. Donations of merchandise for silent and live auctions are also needed and gratefully accepted.

100% OF SPONSORSHIP AND PROCEEDS BENEFIT OUR WOUNDED MILITARY

We realize that we can not accomplish our mission to support disabled veterans without ***your*** support. We are humbled and as always, grateful for your generosity. Thank you and we hope to see you in September!

Patriotically,

Joe Morstatt (FDNY Ret)

MISSION STATEMENTS

www.injuredmarinesfund.org Our mission is to raise funds and provide financial grant assistance to wounded military veterans and their families. Our severely wounded military continue to fight battles here at home with their struggle to adjust to their injuries while they continue their long and arduous journey of recovery. As stated in our Bi-Laws, **Family & Friends For Freedom Fund, Inc** is organized exclusively for charitable purposes to provide financial aid to wounded military and their families, as well as post traumatic stress disorder cases from war, including all branches of the U.S Military.

The **FDNY Veterans of Foreign Wars Post 12033** was instituted on 8/12/2005, in memory of SSGT Christian P. Engeldrum. In keeping with the spirit of our national organization, we have been steadfast supporters of the rehabilitation of disabled veterans from Walter Reed and Bethesda Hospitals, assisting the widows and orphans of disabled and needy veterans, and promoting Americanism through education in patriotism and service to the community of the New York City area.

NOTE: Last year's event raised just under \$20,000 for wounded vets. Since 2005, the **FAMILY & FRIENDS FOR FREEDOM FUND** provided over a \$400,000 in financial grant assistance to over 160 wounded military and their families throughout the country from all branches of the military. The **FDNY-VFW** continues to provide much needed ambulatory devices, material assistance, travel, accommodations, and hospitality to wounded veterans visiting New York City regularly.
