STEAKHOUSE

Excite your taste buds.

USDA Prime corn-fed beef, dry-aged for 30 days on premise for flavor and texture. Relax in rooms where sprawling timber meets natural stonewalls, and accents of glass showcase fire and water features. Descend to our basement and find the secret passage that takes you to our wine cellar, dry-aging steak room and you will be delightfully surprised when you find our speakeasy, Thirty3. Come up for air to dine al fresco in the outdoor Trackside or Vista Terrace with their outdoor bars.
